Program Selections

(Please check the program for which you are enrolling.)

_____ **Children who will be 3 years of age by September 15, 2022** are eligible to attend two/three mornings per week. Class times are 8:00-11:00 on M/Tu/Th mornings. Note: If your child turns three during the summer months, you may want to consider enrolling them for two mornings this year and three mornings the following year.

_____ **Children who will be 4 years of age by September 15, 2022** are eligible to attend four afternoons per week. (Monday-Thursday afternoons from 11:45-3:10).
(Schedule subject to change)

Note: If your child has a summer birthday, you may want to be thinking ahead as to when you want them to begin Kindergarten. If you desire your child to be six, you may want to consider doing morning preschool for two years before moving into the afternoon class. Feel free to ask questions re: this possibility. I'm happy to explain the options.
